UNDERSTANDING CORN SEED TREATMENT BENEFITS

Exclusive ingredients in Acceleron® Seed Treatment Products provide differentiation and performance

Acceleron® Seed Treatment Products + Poncho®/VOTiVO®

For more information on what seed treatment option is right for you, visit AcceleronSTS.com.

Individual results may vary, and performance may vary from location to location and from year to year. This result may not be an indicator of results you may obtain as local growing, soil and weather conditions may vary. Growers should evaluate data from multiple locations and years whenever possible.
